5. That during the period of probation Respondent shall notify the Department forthwith in the event that he is charged with any crime by any law enforcement agency in any jurisdiction. The Department reserves the right to take appropriate licensure action should Respondent be

charged with a crime in any jurisdiction.

6. That during the period of probation should Respondent fail to comply with the provisions of Chapter 23-4.1 and/or the "Rules and regulations Relating to Emergency Medical Services", or any of the terms of this Consent Agreement, the Department shall initiate appropriate action with respect to Respondent's licensure status.
7. That during the period of probation, Respondent's employers, including the Chief of the licensed ambulance service for which he is employed and/or serves as a volunteer, shall submit to the Department reports every six (6) months relating to Respondent's conduct and performance. That it shall be the responsibility of Respondent to have his employers submit said reports.
8. That during the period of probation should respondent change employment and/or volunteer service, he shall notify the Department forthwith of said change including the name and address of the new employers and/or licensed ambulance service and the reason for the change in employment.
9. That a copy of this Consent Agreement shall be forwarded by the Department to Respondent's current employer(s) and/or volunteer service and all future employer(s) and/or volunteer service during the period of probation.
10. That this Consent Agreement shall obviate the necessity for a hearing on the matters forming the basis for this
